OPERATING RULES FOR THE ELECTRONIC SHAREHOLDERS FORUM

I. INTRODUCTION

In accordance with article 539.2 of Royal Legislative Decree 1/2010 of 2 July 2010, approving the consolidated text of the Spanish Companies Act (the "**Spanish Companies Act**"), LAR ESPAÑA REAL ESTATE SOCIMI, S.A. ("**Lar España**" or the "**Company**") approves the Operating Rules for the Forum (the "**Rules**"), related to the Electronic Shareholders Forum of Lar España (the "**Forum**") which will be published on the Company's website (www.larespana.com) upon call and until the holding of each General Shareholders Meeting.

II. RULES OF THE FORUM

These Rules regulate the creation of the Forum by Lar España and how it will be made available, and the guarantees, terms and conditions for access to and use thereof by the shareholders of Lar España and such voluntary associations as may be set up in accordance with applicable regulations.

As regards the Forum, these Rules supplement the general conditions for use of Lar España's website (www.larespana.com) (the "**General Use Conditions**"), which will be fully applicable to access to and use of the Forum in all respects not amended by or incompatible with the provisions of these Rules.

Lar España reserves the right at any time and without prior notice to modify the presentation, configuration, functioning and content of the Forum, the General Use Conditions and these Rules, without prejudice to the provisions of law.

III. ACCEPTANCE OF THE FORUM RULES

Registration as a user of the Forum ("**Registered User**") and access to and/or use thereof implies full acceptance without reservation of the terms and conditions of these Rules and the General Use Conditions for the version of the Lar España website (www.larespana.com) available from time to time.

LAR ESPAÑA REAL ESTATE SOCIMI, S.A. will be considered to be the Administrator of the Forum (the "**Administrator**") on the terms and with the powers set forth in these Rules, and reserves the right to interpret them in the event of doubt or dispute as to the use of the Forum.

IV. PURPOSE OF THE FORUM

The Forum is created for the exclusive purpose of facilitating communication with the shareholders of Lar España upon call and until the holding of each General Shareholders Meeting, as applicable, on the terms contemplated by law.

By virtue thereof, Registered Users may submit communications for posting on the Forum that exclusively concern the following matters:

- Proposals seeking to supplement the call of the General Meeting, including one or more points on the agenda, if applicable.
- Requests for support for these proposals.
- Initiatives to achieve a sufficient percentage to exercise the minority rights contemplated by law.
- Offers or requests for voluntary proxies.

In no case will the posting on the Forum of a proposal to supplement the agenda mean acceptance thereof and, therefore, it will not amend the agenda announced in the call of the General Shareholders Meeting.

The Forum is not a valid instrument for the exercise of shareholder rights, which should be exercised using the channels established by law, in the Articles of Association, in the General Meeting Regulations and in any other applicable rules.

It is noted that, under Articles 172 and 519 of the Spanish Companies Act, the shareholders seeking posting of a proposal they intend to present as a supplement to the call of the General Meeting, including one or more points on the agenda, must represent at least three percent of share capital. This right must be exercised within the five days following publication of the call by certifiable notice to the following address:

Lar España Real Estate SOCIMI, S.A.
Departamento Legal
Calle Rosario Pino, 14-16
28020 - Madrid (Spain)

In no case, may this right be exercised with regards to extraordinary General Meetings.

Likewise, shareholders representing three percent of share capital may, in the term and form indicated above, present resolution proposals regarding items already on the agenda or new items that should be included on the agenda.

V. REGISTERED USERS

Access to and use of the Forum are reserved exclusively to individual shareholders of Lar España and to the voluntary associations of shareholders that have been validly constituted and are on record in the special registry established by the Spanish National Securities Market Commission pursuant to article 539.4 of the Spanish Companies Act and other implementing regulations.

To access the Forum, shareholders and voluntary associations must register as "Registered Users" by completing the corresponding form for joining as a Registered User of the Forum, furnishing proof of their identity and status as a shareholder of Lar España or a voluntary association of shareholders duly established and registered with the Spanish National Securities Market Commission, in the form indicated in the aforesaid form.

In any event, the Company reserves the right to request such additional information or documentation as it deems to be appropriate to verify ownership of shares, or for exercise of certain rights deriving from status as a Registered User.

Legal persons and voluntary associations of shareholders must evidence in the Forum registration form (in the manner established therein) the representative capacity of the person seeking to access the Forum.

For subsequent access to and communication on the Forum a special usage form may have to be completed.

Access to and use of the Forum by the Registered Users is conditioned on at all times maintaining status as a shareholder of Lar España in accordance with the applicable regulations, or as a voluntary association of shareholders duly constituted and registered.

If Lar España, in its capacity as Administrator of the Forum, at any time has reasonable doubts as to a Registered User's compliance with these conditions, it may request said user to evidence fulfilment of said conditions, with authority to request the submission of all such information or documents as may be considered to be appropriate for verification of the matters contemplated herein.

The Administrator may request additional information and suspend or cancel the registration of Registered Users who do not demonstrate compliance with the aforesaid conditions.

Communications of shareholders that lose their status as such before the General Meeting in question is held will automatically lapse, as will the communications referring or related thereto.
